Deacon Ridge Condominiums Rules and Regulations

Welcome to Deacon Ridge. We hope you enjoy living in our diverse community located in the heart of Winston-Salem.

The following Rules and Regulations were prepared to provide all owners with a set of procedures, policies, and guidelines designed to assure you of a comfortable and safe living environment. Condominium living is different from ownership of a single-family dwelling. It requires greater respect and courtesy for the rights and property of others. Owners and tenants each share the responsibility of ensuring these rules are followed and enforced. If each of us follows these rules, they will enable our Deacon Ridge community to function efficiently and effectively. Please ask each member of your household or each tenant to read this document carefully.

The following rules are in addition to any use restrictions stated in the By-Laws and Declaration of Condominium available on our website: www.deaconridgecondos.com. These rules may be amended from time-to-time by appropriate action of the Homeowners Association's Board of Directors. It is imperative that you read these rules.

Your comments and suggestions for improving the Rules and Regulations are always welcomed by the Board of Directors. Please submit all comments and recommendations in writing, using the attached Homeowner Violations/Witness Statement.

ENFORCEMENT OF RULES

It is the responsibility of all Unit Owners that these Rules and Regulations be provided to and observed by their occupants, families, guests, agents, servants, vendors, customers, employees, contractors, invitees and licensees (collectively referred to herein as "Guest" or "Guests"). All violations of these rules and regulations shall be reported immediately to a member of the Homeowners Association Board, or the Management Agent. The Board's determination shall be the basis for resolving any disagreements concerning violations, including without limitation, disagreements regarding the proper interpretation and effect of these rules. In the event that any person, firm, or entity subject to these rules and regulations, fails to abide by them, as they are interpreted by the Board, such person, firm, or entity shall be liable to be fined by the Association for each such failure to comply or other violation of these rules and regulations. Such fine(s), which shall not exceed One Hundred Fifty and no/100 Dollars (\$150.00) for each violation, provided however a fine may be levied on the basis of each day of a continuing violation, for a total amount not to exceed One Thousand and no/100 Dollars (\$1,000.00). **The Unit Owner is responsible for all fines incurred including fines of the Unit Owner's Guests, Tenants, Vendors or others** and shall be collected by the Association and shall become a part of the Common Surplus of the Association, all as more fully set forth in the Bylaws. If the Board deems it necessary, it may bring action at law or in equity in the name of the Association to enforce these rules and regulations, including any provision herein for fines. In the event any such action is instituted, and reduced to judgment in favor of the Association, the Association shall, in addition, be entitled to recover its

costs and attorney's fees incurred in enforcing these rules and regulations, whether before or at trial, on appeal, in bankruptcy or in post-judgment collection.

Thank you for your cooperation in helping to ensure satisfaction for each and every homeowner.
